

ZEELANDER

Z44 PRE-OWNED

Z44

Instant *recognition*

Dubble *curved*

Even before you board a Z44 you'll know that you are in the presence of something special due to the onlookers admiring her smooth curved and classic lines. A Z44 cannot be confused with any other boat.

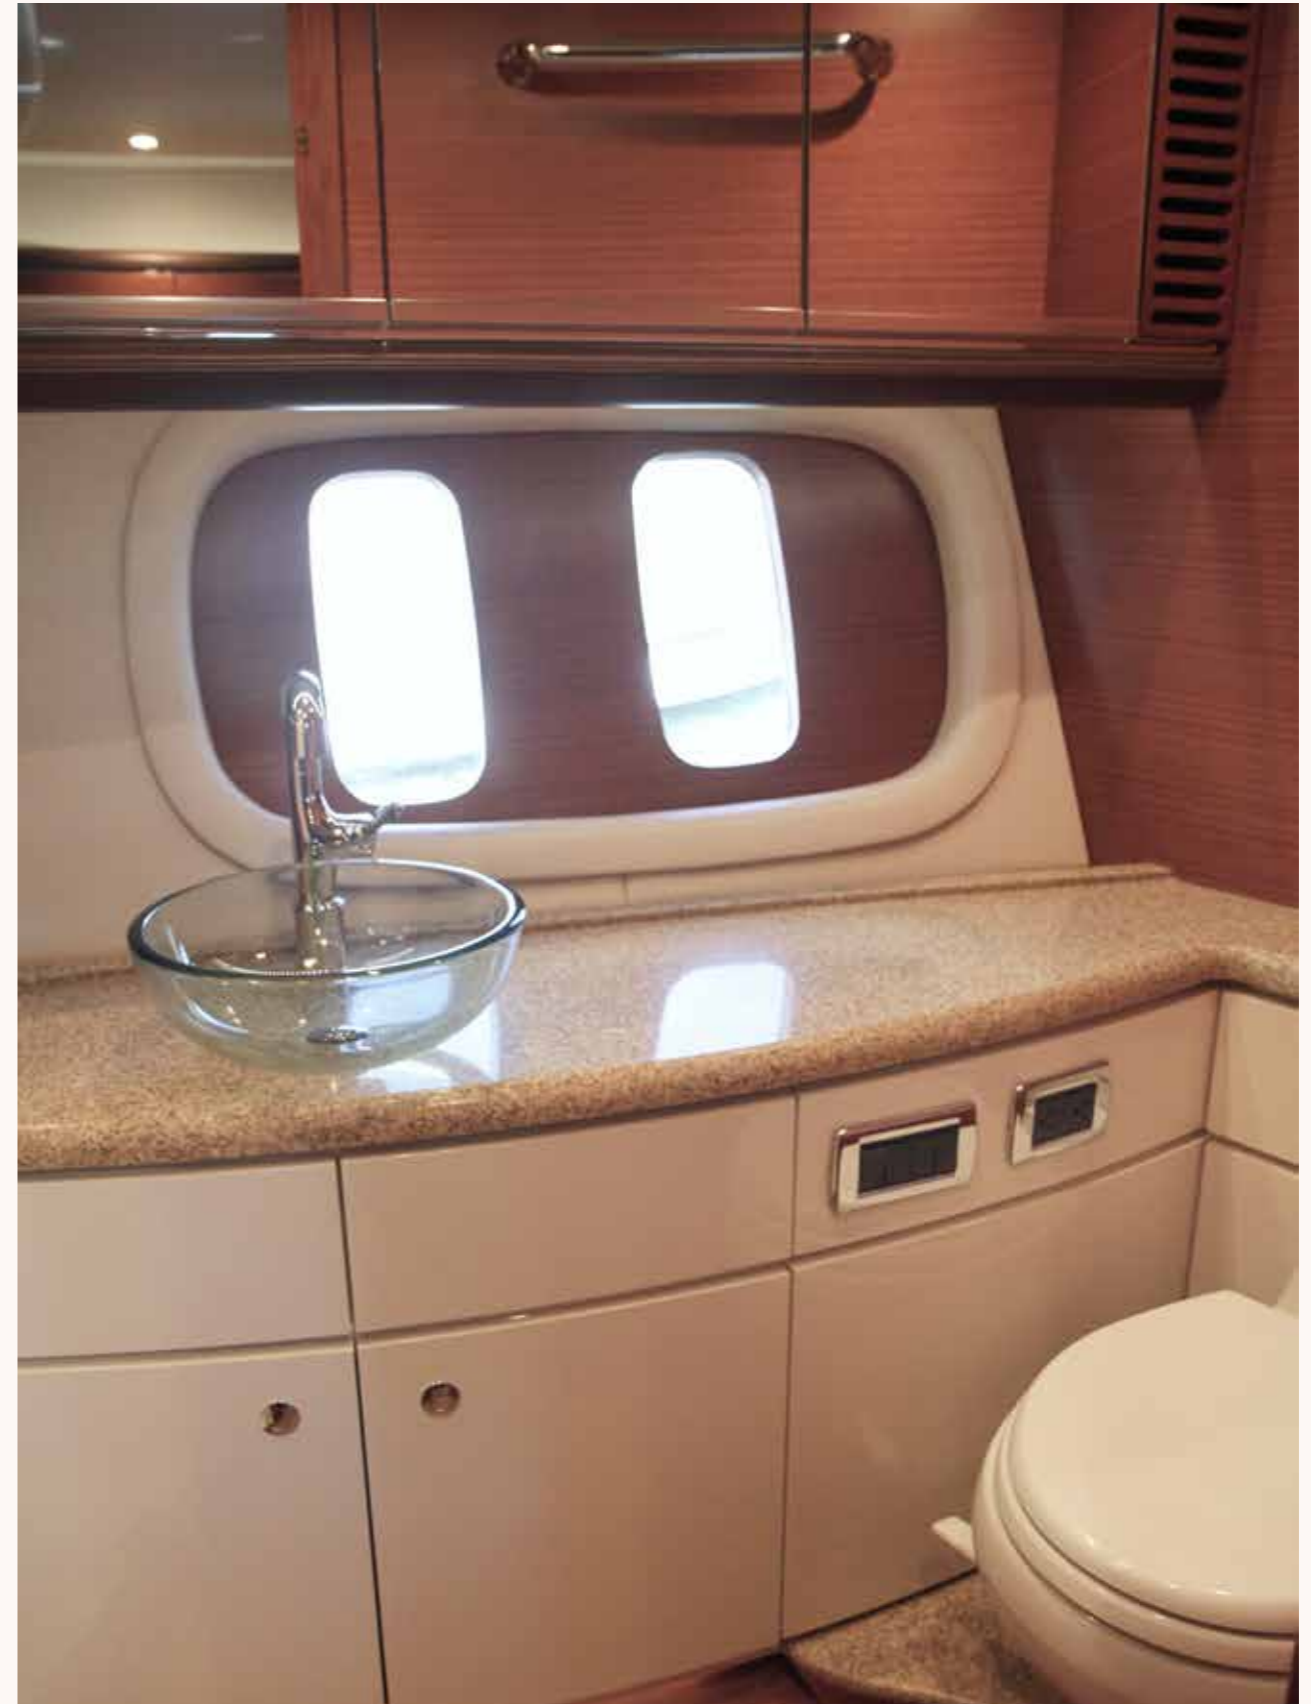

Bringing together the finest materials, cutting-edge technologies and the unrivalled expertise of our designers and craftspeople, we work with you to create a Zeelander that is as unique as you are. We'll source the best materials, colours and fabrics and master the techniques needed to make your vision a reality.

The evolution of
timeless design

The Z44 offers unparalleled ease of operation and functionality. The smooth ride means that everyone on a Z44 can truly enjoy the pleasures of the onboard experience. An oversized sunroof in the wheelhouse gives 360° panoramic views from the comfortable raised seating areas..

Disclaimers:

All performance data, including speeds, fuel consumption and range, are estimated at half-load at the time of testing and cannot be guaranteed. Actual performance may vary. Boat performance may be impacted by many factors including, but not limited to, loaded displacement, boat configuration and options, trim, sea conditions, climate, hull bottom, surface condition and mechanical systems condition.

Specifications are subject to change without notice, except where this document is already part of a mutually signed purchase agreement between Buyer and Zeelander, in which case Zeelander reserves the right to change these specifications with Buyer's prior written consent.
