

ZEELANDER

FLORIDA BASED ZEELANDER 5 AVAILABLE
'FRIENDSHIP'

Dangerously seductive,
Effortlessly powerful,
Whisper quiet

Flowing lines. Contemporary design. An unmistakable silhouette. The Zeelander 5 is an evolution of the award-winning Z44. Where enhanced practical features and improved performance fuse for an even faster, quieter ride.

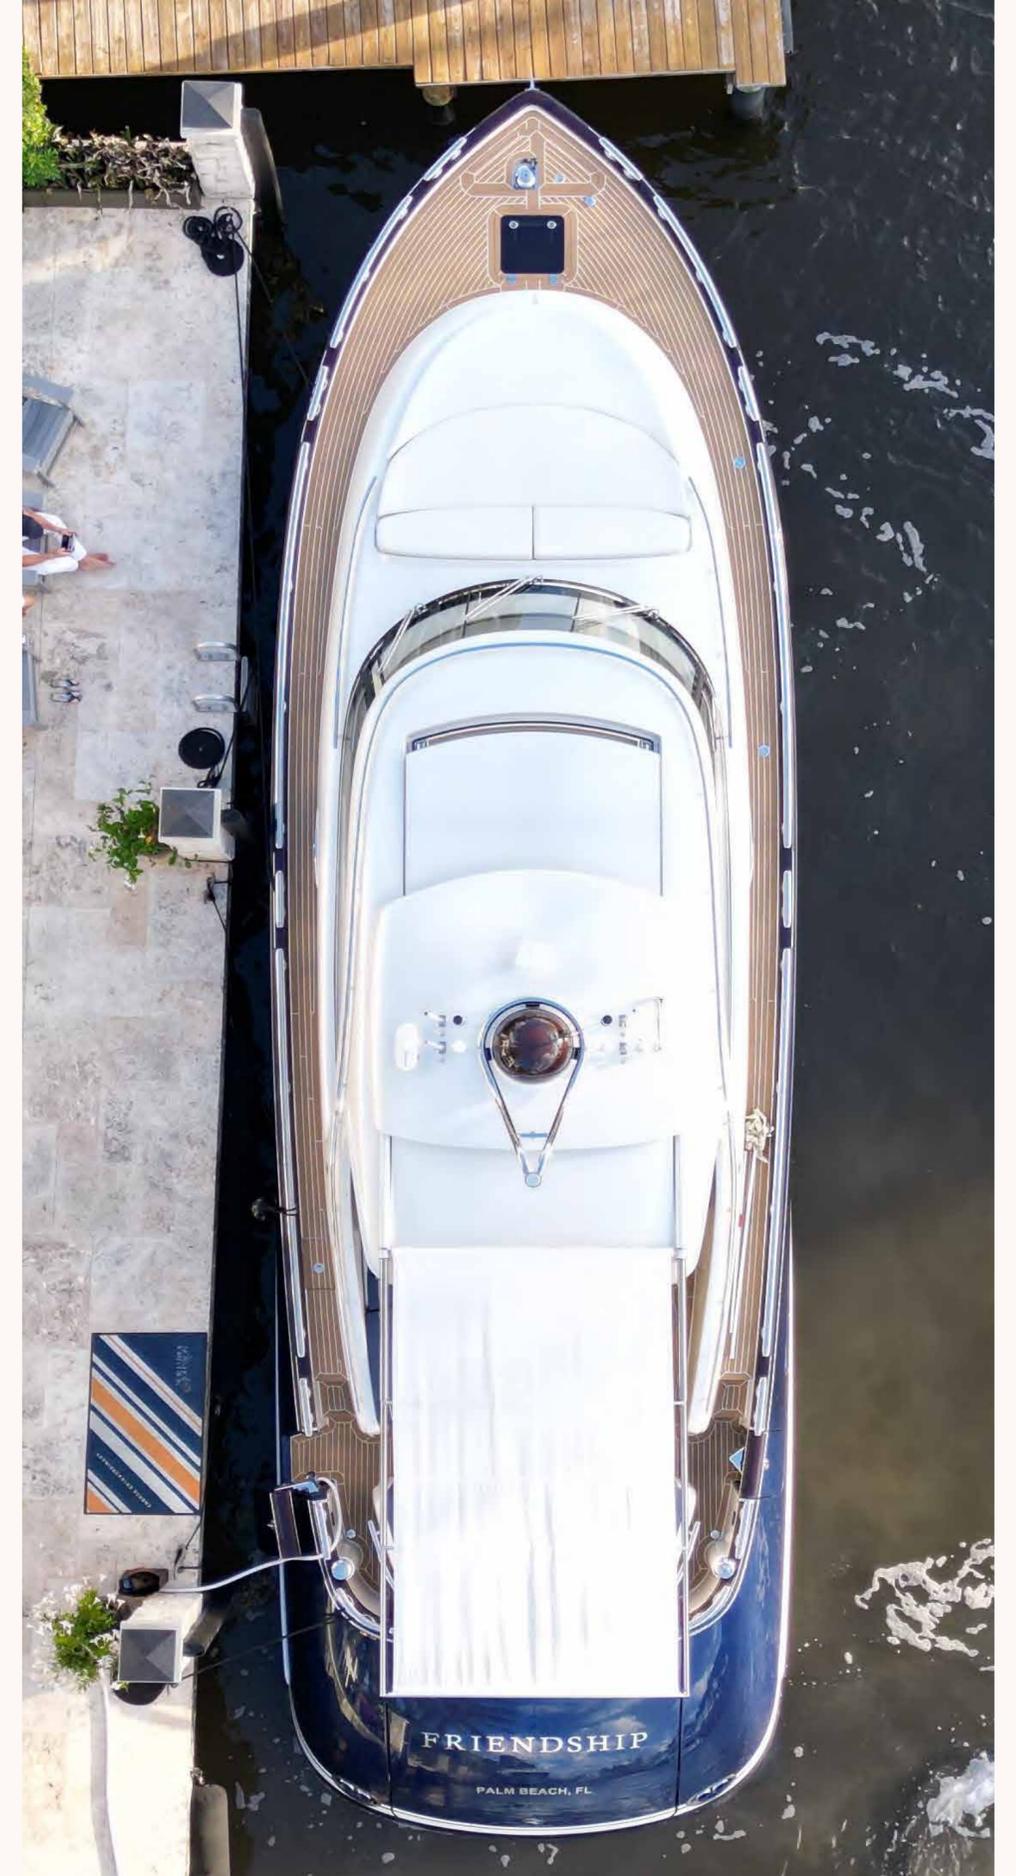

ZEELANDER 5

Drive your *desire*

Timeless design
Contemporary soul

Pushing the boundaries of luxury is at the core of Zeelander. Every yacht is recognisable by their timeless design, curved aesthetic and silent experience. They have the essence of a superyacht with the character of a sports cruiser, courtesy of comfort focussed engineering. Four models, one soul.

Zeelander is renowned for offering owners maximum comfort. A good example is the 360° panoramic vision from the wheelhouse, which is unique in this class. Zeelander gives owners the experience of being on the water and in touch with all the elements without being disturbed by engine or generator noise.

Disclaimers:

All performance data, including speeds, fuel consumption and range, are estimated at half-load at the time of testing and cannot be guaranteed. Actual performance may vary. Boat performance may be impacted by many factors including, but not limited to, loaded displacement, boat configuration and options, trim, sea conditions, climate, hull bottom, surface condition and mechanical systems condition.

Specifications are subject to change without notice, except where this document is already part of a mutually signed purchase agreement between Buyer and Zeelander, in which case Zeelander reserves the right to change these specifications with Buyer's prior written consent.
